

STA COVID Protection Policy

Updated on August 31, 2021

Our main safety guidelines include the following;

- all individuals; staff, parents, and students (class levels Tiny Ballerina 2 and up), are required to wear a mask/face covering inside the building at all times
- sanitization stations are located throughout the building for all individuals to use regularly
- a limited number of enrollment for each class is set to help with social distancing
- classes will end 5 minutes early in order for instructors to have time to sanitize commonly touched surfaces in the classroom
- parents/guardians of students ages 7 and older are encouraged to drop off and pick up their student outside of the building at the front door
- parents/guardians of students ages 6 and under are welcome to drop off and pick up their student inside the building, but are encouraged to step outside of the building during the class
